When he left Memorial to come to Sudbury he held the rank of Full Professor in the Department of Religious Studies. He is widely published in academic journals in Britain, Germany and North America.

The distinguished theologian, scholar and priest

will give his inaugural address on "The Care and Feeding of Humanities in a Cold Climate." Dr. Sandys-Wunsch's installation will be of wide interest to the general public and he has the rare facility of making the abstruse lucid and complex clear.

All are invited to this historic event which is of great significance not only to the academic community but to everyone in the region. □

The 21st Winter Carnival and Centennial year at that! This promises to be a Big One! Fellowship and participation will be the by words for the 1983 Carnival. To paraphrase a famous TV drama series: "Be careful out there people." Participate, make friends, compete, play games, sing songs, dance, collect good memories for future reviewing — relax and forget the minutiae of student life.

Don't relax enough to forget prudence, moderation and the "smrts"
End the carnival with memories not problems and unwanted responsibilities.
Our wish on the event of the Carnival: Have a ball people... but be careful out there...

Food 101: Cheap and Easy Cooking

HOT STUFF - VIC'S CHILI

Everyone knows someone who makes a great chili and Vic was the fire-breathing dragon who taught me this version.

Preparation time: 20 minutes

Cooking time: 60 minutes

Serves five

Heat in a large pot over medium heat:
1 tbsp. (15 mL) oil

Add:

1/2 lb. (0.25 kg) hamburger
Fry until brown. Drain grease.

While the hamburger is cooking, chop up:

1 stalk celery
1/2 green pepper
2 small cooking onions
1 cup (250 mL) fresh mushrooms
Add vegetables to meat.

Add:

1 can, 19 oz. (540 mL) kidney beans, undrained

1 can, 5 1/2 oz. (156 mL) tomato paste

1 can, 14 oz. (398 mL) tomatoes

2 fresh tomatoes, chopped

Cook for 30 minutes over low heat, covered.

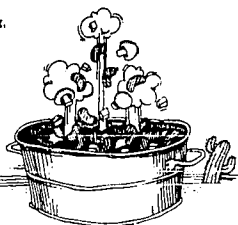

Add:

1/2 to 2 tsp. (2 to 10 mL) chili powder

1/4 tsp. (1 mL) cayenne

1/2 tsp. (2 mL) pepper

Cook over low heat for another 30 minutes, covered.

Don't Start Without:

cutting board
knife
large pot with lid
can opener
measuring cup
measuring spoons
large spoon

Helpful Hints:

• Spices can be temperamental. The chili powder is not given in an exact amount because you may like your chili mild or spicy. The longer the spices cook, the stronger they get. Cayenne is an especially tricky character.

• Many chili connoisseurs believe it isn't the real McCoy if it doesn't cook for literally hours. I don't agree with that theory. If you have the time, though, it doesn't hurt to let the chili cook longer.

Serving Ideas:

• Chili is best with fresh bread and liquid of your choice. Have lots to drink on hand, especially if you've been heavy on the spices.
• Although this recipe makes enough for five, you won't have trouble using it up. It keeps well in the fridge or freezer.

The Laurentian Film Society will screen the Italian film **Stay As You Are** on Thursday, January 27th at 7:30 p.m. in the Auditorium of the Teachers' College, Laurentian. A drama of powerful emotion, suspicion and uncertainty, **Stay As You Are** relates a tale of romantic involvement between an 18 year-old girl and a middle aged architect.

The film was directed by Alberto Lattuada, and stars Marcello Mastroianni and Nastassia Kinski. Dialogue is in Italian with English sub-titles.

General admission is two dollars at the door. The general public is invited to attend.

Saturday, January 29 and Sunday, January 30 are the dates for the **Variety Clubs' Starnite '83** Telethon for disabled children across Ontario. This year's telethon is a special one, as the Club is raising money needed for the **Variety Village Sports Training and Fitness Centre**, dedicated in Toronto in 1981. The centre provides handicapped children with physical training and therapy, and prepares them for such events as the **Canadian Disabled Games**, to be held in Sudbury this summer.

Local Telethon Coordinator **Margot Clayton** is hoping to see Sudbury pass the four thousand dollar mark raised last year, despite present economic conditions. "More than ever," said Clayton, "the people of Sudbury area are showing they can help each other in times of economic hardship, and I'm sure they'll prove this by opening their hearts to these children."

Our Sudbury personality will be **Charles LeBarge**, Chairman of the Games for the Disabled. Anyone wishing to volunteer their help by answering telephones or by donating funds to the Organization should call **Margot Clayton (674-5760)** or **Steve Nimmock**.

MULTILINGUAL DELIGHT: FRENCH TOAST

The French call this English Toast; the English call it French Toast - but French Toast by any other name tastes just as sweet.

Serves two

Combine in a large bowl:

2 eggs

1/4 tsp. (1 mL) salt

1/4 tsp. (1 mL) pepper

1/4 cup (60 mL) milk

1/2 tsp. (2 mL) vanilla extract (optional)

Beat vigorously with a fork or whisk.

Dip into mixture:

Place dipped bread in frying pan.

Fry until brown, then turn and fry until other side is brown.

Don't Start Without:

frying pan
large bowl
fork
measuring spoons

Helpful Hints:

- Always cook French Toast on medium to low heat, since the eggs will burn if fried too quickly.

Thornloe Players are presenting another Player's Cafe, Feb. 13, 14, and 15 at the Theatre Arts facility behind Thornloe College. Each year, the players present an evening of entertainment within this space which lends itself towards a coffee-house style atmosphere.

This year's cafe is entitled **Up up and Away!**. The roles of a sexist 60's play have been reversed to create the 80's version. Two rich and independent women schedule the arrivals and departures of their airline steward friends, and, of course, complications arise. The play was directed collectively by the cast; Suzanne Cotton, Betsy Dee, Elaine Lumley, Lance Trudeau, Steve Crouch and stage management by Ron Toumayan.

The two-act comedy is set out like a play reading with a podium for the actor's scripts. The staging is very limited.

Curtain time for this experimental comedy is 8:00 p.m. Admission \$2.00 (come early to get your ticket at the door, and a seat!)

Coffee is on the house.

February 18th was the first of the study week and this group of chemists decided to visit Chalk River Nuclear Laboratories to expand their knowledge.

In today's concern over nuclear armament and nuclear power, the first essential step is to understand the basics. The group spent their morning visiting chemical laboratories while their afternoon was mainly entertained by Frank Finley. The 2400 employees at CRNL, which were humans like us, are more than pleased to talk to the public.

Next time you go to Ottawa, stop in at Chalk River and let Frank show you, at no charge, Canada's most advanced nuclear research facility.

The group enjoyed themselves and I am sure that Bruce Powers, president of the Chemistry Club, shares the idea that the exposure was great.

REAL REELS

NORTHERN LIGHTS U.S. 1979 93 min.

Thursday March 31st

The recipient of the Golden Camera Award for Best Film Feature at the Cannes Film Festival, **NORTHERN LIGHTS** tells the story of the Non-Partisan League in North Dakota. The League was a populist organization which sprang up in the North American west to fight the Eastern banks, the railroads and the grain companies. The film uses professional actors and North Dakota farmers (who were involved in all phases of production).

'Its protagonists turn to collective action not out of individual heroism, but because there is simply no other way to save the land for which they have worked so hard.'

It's called **La Montee** and it happens every year. Students from universities all over Ontario and Quebec meet to spend a super weekend in the Eastern Townships, just when fall is coming and the trees are turning colour. The bus ride takes a while, but you'll be so busy singing, talking and getting to know people that you'll never notice.

The highlight of the trip is the "Montee" itself. You meet over a thousand other students at the bottom of Mt. Orford and you start climbing. It seems like easy going, and after a while you think you've made it, but you soon realize you're only starting out. The going gets a bit rougher but they're a lot of helping hands and people to talk to, share food and ideas with, people to cheer you on when you've almost had it. The feeling of accomplishment you have when you reach the top makes this an unforgettable experience. I guess it's what you'd call a natural high.

So come join us this fall, for some fun, to meet some people, to see some of Quebec - whenever. Come be part of La Monte Montee 1983.
